DEPARTMENTAL STUDENTS ACTIVITIES REPORT

Department of Electronics & Power (Electrical) Engineering

Session: 2012-13

Sr. No.	Type of Activity	Title of Activity	Description	Photo
1	A Technical lecture Series	PLC & SCADA	<p>It was our privilege to have Mr. Ravi Maske , General maneger Finolex India Pvt. Ltd. Bharuch ,to deliver a lecture on PLC & SCADA . The program has been organized in C.G. Patel auditorium on 22nd October, 2012 by the department.</p> <p>Program was started with the floral welcome of the guest. Dr.Z.J. Khan HOD (E & P) addressed the students with motivational speech . Mr. Ravi Maske delivered the lecture and taught that SCADA acquisition ,SCADA refers to a system that collect data from various sensors at a factory . At the end of the program he distributed the base papers on SCADA and planning of PLC & SCADA based project video .Prof P.G. Asutkar arrange the question answer session for all E& P students. Program conduction and vote of thanks is delivered by Prof. N.V. Bhange</p>	
2	Ganeshotsav 2012, Festival	Cultural Week	Mehandi Competition	

Session: 2013-14

Sr. No.	Type of Activity	Title of Activity	Description	Photo
1	A Technical Lecture Series	“ Stability Analysis and Controller Design Theory and Practice”	<p>A technical lecture series under the banner of SPMTLS “ Stability Analysis and Controller Design Theory and Practice” has been organized at RCERT, CG Patel Auditorium Chandrapur on 3rd Feb 2014. Program start with the blessings of god almighty by lamp lightning and goddess saraswati prayer was sung by Ms. Shanu Singh of 3rd year. Dr. Yogesh V Hote , Department of Electrical Engineering. IIT Roorki was invited as a key note speaker for the lecture. President of the function Dr. K R Dixit, Principal RCERT has presided over the function. In his presidential speech he advised student to be aware of recent trends in technological development. Dr. Z J Khan, HOD E&P Dept. Talked about importance of application oriented studies in Engineering. Prof. N V Bhangе conducted the program.</p> <p>Dr. Yogesh Hote has advised the students, education is the knowledge not of fault but of value. Stability analysis is used to find the range of controller. He also explained various methods to compute this range. Program end with the queries. Vote of thanks was delivered by Prof. S Dutt.</p>

1	Ganeshotsav-2014, Festival	Cultural Week	Quiz	 A photograph showing five men in a room. One man in a blue shirt is handing a trophy to a man in a pink shirt. They are standing around a table covered with a white cloth. The room has a white wall and a wooden door in the background.

Session: 2015-16

Sr. No.	Type of Activity	Title of Activity	Description	Photo
1	One Day Seminar on 09 th March 2016	“ NON CONVENTIONAL ENERGY AND ITS RELEVANCE IN PRESENT SCENARIO”	<p>The guests present for the seminar a renowned consultant Mr Ford, Non-Conventional Energy Source Consultant, USA, Er. Mr. Waikar Sr. Engg. Nagpur .</p> <p>Mr Ford through his deliberations incited departmental students that,” Country is facing an acute energy scarcity which is hampering its industrial growth and economic progress. Setting up of new power plants is inevitably dependent on import of highly volatile fossil fuels. Thus, it is essential to tackle the energy crisis through judicious utilization of abundant the renewable energy resources, such as biomass energy, solar energy, wind energy and geothermal energy. Apart from augmenting the energy supply, renewable resources will help India in mitigating climate change. India is heavily dependent on fossil fuels for its energy needs. Most of the power generation is carried out by coal and mineral oil-based power plants which contribute heavily to greenhouse gases emission. So, the academic work must include applications of Non-Conventional Energy Sources as a sharing alternative to the conventional one.”</p> <p>Mr. Waikar elaborates the role of national policy in words like, “Government set to increase the contribution of Renewable Energy in the total energy mix of the country to 6 per cent by 2022,</p>	

			<p>with about 10 per cent contribution to total electricity mix. The Vision of MNRE is to upscale and mainstream the use of new and renewable energy sources in furtherance of the national aim of energy security and energy independence, with attendant positive impact on local, national and global environment". He advised students, "Develop, demonstrate and commercialize technologies for harnessing new and renewable energy sources for the betterment of India. The one Day Seminar was Chaired by Dr. Z.J.Khan, HOD Electrical Engineering Department, Proff. D. Subroto introduced and thanked the guests. All staff members and students attended the programme and put their effort to make it a success.</p>	
2	One Day Seminar 15 th September 2015	Civil Services	<p>The seminar is delivered by Harshad Kulkarni alumni of the department. He has delivered the information how to prepare for the civil Services Examination.</p>	

3	Ganeshotsav- 2015, Festival	Cultural Week	Pooja Thali
