

MSME Sponsored National Vendor Development Program & Industrial Exhibition held on 9-3-2013 to 10-3-2013

MSME Development Institute in association with NSIC Nagpur, MGIRI Wardha, MIA Chandrapur, Rajiv Gandhi College of Engineering, Research & Technology, Chandrapur; organised 2 days National Level Vendor Development Program cum industrial exhibition at RCERT campus from 09-03-2013 to 10-03-2013. The main objective of the program was to provide a platform to micro and small industries where their units demonstrated their products and services, rendered by them to respective buyers. The exhibition also facilitated the buyers in identifying and selecting the right vendors to meet out their requirements.

The event provided a common platform to MSMEs, ancillaries and large purchasing organization and developmental agencies to highlight their policies. Product purchase procedure & Schemes and desired assistance for rapid industrialization and vibrant economic growth of nation was also achieved.
